RE: NWGD235299 Wellington Road, Bollington

Dear Sir/Madam,

English not your first language? To request a translation of this letter, call or email us.

Cadent will soon be working on the gas mains on Wellington Road Bollington

This work is part of a big investment programme to upgrade our older gas mains. This will help us keep you warm in your homes, with less impact on the environment - find out more at www.cadentgas.com/nw2

- **Our project is due to commence 20 March 2023 and will last approximately 5 weeks**
- We will be affecting some customers gas supplies; we will be liaising with these customers independently to discuss the work.
- There will be temporary traffic lights in place at the junction of Waterwheel Way and Wellington Road
- The footpath outside number 40-78 on the even side will be closed during our work.
- Some customers will need to have their post-boxes relocated, we will discuss this with individual residents
- The parking bay opposite 40 to 78 Wellington road will need to be suspended.
- We advise that where we are working parking will be restricted
- There will be no parking cones in place where necessary.
- Some bus stops will need to be suspended
- We apologise for any disruption caused by our machinery and will keep noise to a minimum.

If you have any questions or concerns, please call us on **0800 090 3071** or email CustomerCareNW@cadentgas.com. Alternatively, you can scan the QR code below on your mobile to make an enquiry online.

Please accept our sincere apologies for any inconvenience this work may cause, please rest assured we will endeavour to keep any disruption to a minimum.

Yours faithfully,

Jenny Moten
Network Director
Cadent
